Weitz Chosen President In Balloting Last Friday

The members of the ASCBC met last Friday afternoon for their annual election of officers and members of the student council. Glenn Weitz, a senior, was elected president. Bob Avery, a junior, was elected vice president. Mary Sanderson, a senior, was elected secretary. Marsha Reimers, a senior, was elected treasurer. John Hall, a senior, was elected representative-at-large. Jim O'Connell, a senior, was elected representative-at-large.

not specifically forbid electioneering. They recommend that the constitution be changed the constitution be changed prior to any future elections to provide better rules regarding the conduct of elections.

It was pointed out by some of the student body officers present at the meeting that invalidating the results of the final election should also invalidate the primary election, because the same voting procedure was used for both elections.

Although the members of the student council present at the meeting Tuesday were to have voted on whether to invalidate the elections or not, they apparently ran out of time and had to re-schedule the voting for Wednesday. This gave each council member a chance to hear more student opinions on the matter.
